

Goal Attainment Scale Training Agenda

May 22, 2024 - 11:00 AM-2:00 PM Mountain Time

Session 1: Conducting GA Scale Interviews

- Progressing from Feedback to Goals – How to write Impact statements
- Method of conducting a parent/caregiver interview
- Video review of role play of parent interview
 - Discussion of what worked and what didn't work
 - Take home lessons
- Discussion of a STAR case study: from evaluation to treatment
- Video example of parent meeting including STAR therapist and parent goal setting session

Learning Assignment:

- Conduct an interview with one of your clients (may take up to 1 hour to conduct)
- Identify general goal areas
- Reflect on what went well and what you found to be challenging

June 5, 2024 - 11:00 AM-2:00 PM Mountain Time

Session 2: Writing GA Scale Goals

- Small group activity: Talk about the development of goals from interview data. Provide feedback in small groups
- Watch treatment video
 - Utilize treatment note form to problem solve application of possible GA scale goals being addressed.

Learning Assignment:

- Write 3-5 goals based on your previous client interview – no more than 2 hours writing time
- Submit 2 goals for instructor to review – please submit 3 days in advance.
- Identify one you think is good and one that you found challenging.

June 12, 2024 - 11:00 AM-2:00 PM Mountain Time

Session 3: Scoring GA Scale Goals

- Score Sample goals using guidelines from instructor (1 goal, 3 goals, 5 goals)
- Review appropriate language to use in reports for conveying GA scale goal outcomes
- Learn how to combine goals from multiple clients in order to create group data for third party payers, pediatricians, school personnel
- Discuss alternative methods for developing and conveying outcome
